How to order

Most of the work on the Red Houss website is for sale unless it is marked as sold. The website is regularly updated but if an item has recently been sold it may still show as being available on the website.

Some jewellery pieces are one-off designs. If the example shown has been sold similar (but not identical) examples can be commissioned.

Commissioned items of jewellery may take up to 6 weeks or more to be made and hallmarked depending on how busy we are. Please note that due to sizing difficulties we are unable to take orders for specific ring sizes.

If you wish to order, or for further information, please email.
Please state the item you are interested in and also your name and address.

Once you let me know what you are interested in I will tell you the cost plus the additional charge for postage and packing.
I use Special Delivery in the UK and insured Airmail elsewhere. Please note that these will require to be signed for on delivery.

You can pay with Visa, Visa debit, Mastercard or Maestro cards. Cheque (within UK) or PayPal worldwide. For PayPal payments you do not need to have a PayPal account. Please note that we are unable to accept American Express. We can only post to the address your credit/debit card is registered at.

If you wish to pay by other methods (e.g. Bank Transfers) please be aware that international bank charges can be high and you will be charged for any fees.
